### ISFccc Certificate

The ISFccc (Imaging Science Foundation Certified Calibration Configuration) sets image quality standards to ensure displays look their best in any environment. It can calibrate your projector for optimal performance, creating two custom modes: ISF Day and ISF Night. This calibration maximizes image quality in various lighting conditions, so you enjoy the best viewing experience every time.

### 24/7

It supports 24 hours-7 days of continuous projection when prolonged periods of use is required. This is especially useful for public display or museum exhibition.
